02. President's Message

2012/2013 of the SLLA could be considered as a quiet period. However the new Council started its work just a month after the last annual general meeting. Several of its programmes & projects needed much time to organize & finalize. As the annual report shows most of the programmes started only in March, 2013.

As is usual this year too, the educational work tops the list of SLLA activities & achievements. My thanks to the Education Officer, Ms Swarana Jayathilake & her team for the enthusiastic work.

Resigning of the Treasurer and Publication Officer in the middle of the term due to their personal commitments caused some amount of anxiety, but without delay Ms Jayanthi Weeratunga and Ms Damayanthi Jayasundara accepted the invitations to be the Treasurer and Publication Officer respectively and I am grateful to both of them on behalf of the SLLA.

Groups and Committees too stepped on to their work. Out of which Mentor & Cluster concept created by the former President is commended hereby and as the Mentor of Cluster 2, we were able to organize a workshop for its members namely the Librarians in Govt., School & Local Govt. Sector. Librarians from all corners of the island participated at the seminar and it was a success. I am grateful to the organizing committee, participants, resource persons, Councilors and the staff for their assistance.

With pleasure I wish to highlight the second opportunity we received through the OPA to send our budget proposals to the Treasury. I was invited by the President/OPA together with other member Association for a pre discussion of our proposals, so as to keep our proposals on par with the (policy of the government) five concepts of Mahinda-Chintana. I suggested that the SLLA should go with Knowledge Hub concept. It was agreed. On this occasion too, Mr. Amarasinghe-Immediate Past President assisted me to further improve our previous proposals. Finally the proposals were submitted to the government. Ultimately as the President I participated in the discussions together with other representative of the OPA. Immediately before the discussion I was able to handover a very short letter requesting HE the President on "The Development of Library Service & the Systematic Development of Library Profession in the Country". Recently on a directive of HE the President the Secretary to the Treasury called SLLA for a discussion. At this point the SLLA extended this invitation to the other institutions which has relations with the SLLA; namely the NLDSB, Kelaniya Campus & NILIS to participate at the discussions. Treasury Head lead the discussion together with other Officials of the Govt. Sector; namely Department of Management Services, Combined Services Division, Salaries & Cadre Review Commission, Establishment Division etc. This discussion was held in early March. This followed a further discussion with the Salaries & Cadre Review Commission and recently with the Division of Combined Services. We are hopeful of the eradication of Govt. & Local Govt. Librarians anomalies & promotions in near future. The Secretary to the Treasury requested the SLLA to submit a report to before the next Budget on "How Library Service in the country could help the state requirements or the nation? Is it aimed in the developmental activities of the country? Is it only for social development or else to help the general

public to supplement their day to day needs on information? As the President, I see this as a great leap towards development of Library Service.

NILIS started its MLS & MIM courses recently and this opened doors to the SLLA Associates with several years experience to broaden their professional qualifications.

Prior to this the SLLA had discussion with the Chairman of the Board on several common matters related to librarians in state sector viz: Losses, grading of libraries, conservation & preservation methods etc.

SLLA stepped on to more social activities this year by organizing a New Year party held at the Air Force Grounds and also for the first time formed a cricket team & played five limited- over's- matches joined with IMP & other associations. Players were very happy about this venture.

It is with pleasure I mention that Dr Ruwan Gamage has been selected by the IFLA to participate at the conference scheduled to be held in August in Singapore.

NACLIS , the National Conference on Library & Information Science which is due to be held on 27th June is progressing with hard working Dr Ruwan Gamage & his team.

There are yet two or more events to be taken place in near future, may be in July or August as there is hardly any time to spent on them.

While thanking the President – Elect, Ms Shivanthi Weerasinghe and other councilors my special thanks go to the Immediate Past President Mr Upali Amarasiri for advice and assistance given to me during this period.

03. Secretary's Report

The Annual Report for the period covering 22nd June 2012 to 28th June 2013 inclusive is presented to members with a record of activities carried out by the Sri Lanka Library Association. This year some Groups and Committees have not come forward with organizing activities pertaining to their subject fields. But a fair number of activities were carried out jointly with other institutions on many issues.

Two office bearers - Ms. G.M.de Silva our Treasurer and Ms. Kumari Wickramasinghe our Publication Officer resigned due to personal reasons during this year. SLLA would have suffered a bad drawback had not Ms. Jayanthi Weeratunga and Ms. Damayanthi Jayasundara stepped in time, offering their services.

Two vacancies occurred in the Executive Committee. Prof. Piyadasa Ranasinghe and Dr. Ms. Wathmanel Seneviratne declined their appointments as Nominated Members again for personal reasons. Prof. Russell Bowden and Ms. Daya Ratnayake were nominated for the vacant posts.

Among the office staff members too, there occurred two resignations. Ms. Shanthi de Alwis, the Administrative Secretary tendered resignation at the end of year 2012 after 33 years of service. After her emoluments were satisfactorily concluded, the Council decided to re-employ her on contract basis renewable annually with a remuneration package of Rs. 29,000/- sans other benefits from 1st of January, 2013.

Ms. Shashika Madhubhashini de Silva resigned her post as Office Assistant suddenly to take appointment with The Standard Chartered bank. Ms. W.J.K.V. Udeesha Sewwandi has been employed as Office Assistant on casual basis to cover up Ms. Shashika's work.

The annual increments of Ms. Edna Malkanthi de Silva and Ms. Pradeepika de Silva have been granted, and, as permanent staff members, an incentive payment of a month's basic salary at New year in April, 2013 was accorded as had been done in the previous years .

SLLA has continued to extend the service period of Ms. Lakshika Dissanayake recruited as Casual Office Assistant on account of her useful contribution to the work in connection with the SLLA Education Programme till December 2013.

Mr. M.P. Gamini Jayarama is the new Office Aide of the SLLA. He is also employed on casual basis. Apart from his routine work he makes a marked contribution in attending to minor service problems of the computers and the photocopier with willingness.

I take this opportunity to thank all Council Members, Executive Committee Members, Representatives and Members of SLLA Professional Groups, Convenors and Members of SLLA Regular Committees, the General Membership - especially my colleagues - for the advice, cooperation and encouragement unreservedly extended to me..

It is with deep gratitude I mention here the support extended to me generously by Ms. Kumari Wickramasinghe from July 2011 to the time of her resignation and Ms. Damayanthi Gunasekera from February, 2013 to date in the recording of Minutes of the Councils and Executive Committees being aware of my disability to take down notes on account of a nerve problem.

I wish to extend my sincere and grateful thanks to the SLLA office staff - Ms. Shanthi de Alwis, Ms. Edna Malkanthi de Silva, Ms. Pradeepika de Silva, Ms. W.J. K. V. Udeesha Sewwandi, Ms. Lakshika Harshani Dissanayake, Mr. Gamini Jayarama for their hard work and continuous support given to me and the Council during this tenure of my office too. Ms. Edna Malkanthi and Ms. Lakshika Dissanayake helped to prepare the cover page and the invitation card. I appreciate their helpfulness. This being my final year as an office bearer of the SLLA, I wish all of the office staff and the the best of luck in all their future endeavors.

Indranie Ponnampuruma
General Secretary (2011-2013)

04. Treasurer's Report

The net income for the year was Rs.1,701,707/- which was a 44% decrease compared to the previous year figure Rs.3,936,549/-. The main reason to this was the decrease in the number of students that registered for the DEPLIS. Due to the same reason the income generated through Examinations and Course Fees were also less.

During the period the addition to the fixed assets was Rs. 744,216/- which also included the cost of the Professional Cloaks (Rs.554,150/-).

The administration expenses for the year was Rs.4,470,180/- whereas in the previous year it was Rs.3,968,400/-. This was due to the inflation.

The proposal of Mr. Graham Monk was approved by the Council held on 18.01.2013 and appointed Mr. Upali Amarasiri and Ms. Varuni Gangabodaarachchi (two Council members who were associated with the project) to co-ordinate. SLLA informed Mr. Monk that it will use the funds to improve the Hikkaduwa Public Library in consultation with the library and Hikkaduwa Urban Council with the approval of the co-ordinators and the SLLA Council.

- **Workshops on Library Advocacy and Policy Development - Reported by Dr. Ms. Premila Gamage, Librarian, Institute of Policy Studies (IPS) of Sri Lanka**
This programme is a series of workshops to train library association leaders and professionals on library advocacy & policy development.

The inaugural workshop of the series was conducted in Colombo in 2009 with the intention of training LIS leaders, especially public librarians, educators and activists to gain the requisite skills in policy development and implementation; including developing government relations platforms, monitoring government proposals, effective advocacy campaigns and public relations.

A workshop was held in Jaffna Public Library Auditorium with the support of the Jaffna Municipal Council on 27-28 April, 2012.

In addition to the above workshop two more workshops were conducted in Trincomalee Kulakotan Conference Hall, with the support of Assistant Commissioner of Local Government's Office, Trincomalee from 13-14 July, 2012 and in Kantale

Pradesheeya Sabha building with the support of Kantale Pradesheeya Sabha from 18-19 March, 2013 respectively.

Follow-up workshop on Library Advocacy and Policy Development was conducted in Tissamaharama Children's Library with the support of Tissamaharama Pradesheeya Sabha from 17 - 18 May, 2013.

Since its inauguration, SLLA conducted workshops in Badulla, Kurunegala, Polonnaruwa, Matara and Rathnapura, but was unable to conduct the workshops in North and Eastern provinces due to socio-political conflicts in the country at the time. However SLLA managed to conduct workshops in Jaffna, Trincomalee and Kantale in 2012 and 2013.

The workshops were fully supported by the Action for Development through Libraries Programme (ALP) of International Federation of Library Associations and Institutions (IFLA) with financial support from SIDA. In addition to ALP/SIDA funding, the workshop was also supported by the National Library and Documentation Services Board (NLDSB), Municipal Councils and Pradeshiya Sabhas in the respective areas. Therefore SLLA was not only able to increase the number of participants but also expand the number of workshops from five to ten.

On behalf of the SLLA, the workshops were managed and co-ordinated by Prof. Piyadasa Ranasinghe, then President of the SLLA and Dr Premila Gamage, Librarian, Institute of Policy Studies (IPS) of Sri Lanka. Mr. P.B. Gallaba, Mr. J. Amaraweera, Mr. U. Alahakoon, Ms. Janaki Fernando, Ms. K. Kamalambikai, Dr Premila Gamage and Prof. Ranasinghe contributed as resource persons for these workshops. Mrs Indranie Ponnampereuma, the SLLA secretary attended the final workshop in Tissamaharama.

The workshops, which were the first of its kind in Sri Lanka, had trained nearly 300 participants including librarians, policy-makers, and administrators. The outcome of training workshops are already visible. Some of the members of the Pradeshiya Sabha in Jaffna, in Tissamaharama and Community Development Officers in Kurunegala are engaged in organizing similar workshops in their provinces. Moreover, some of the librarians, even though in a small scale, have already implemented the advocacy action plans that they developed at workshops.

SLLA is thankful to the various Local Government institutions that has supported these events from the beginning.

Executive Committee's Responsibility for The Financial Statements

The Executive Committee is responsible for the preparation and fair presentation of these financial statements in accordance with Sri Lanka Accounting Standard for Small & Medium-Sized Entities (SLFRS for SMEs). This responsibility includes: designing, implementing and maintaining internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Scope of Audit and Basis of Opinion

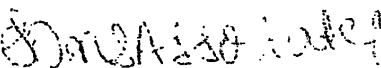

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Sri Lanka Auditing Standards. Those standards require that we plan and perform the audit to obtain reasonable assurance whether the financial statements are free from material misstatement.

An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit. We therefore believe that our audit provides a reasonable basis for our opinion.

Opinion

In our opinion, so far as appears from our examination, the Association maintained proper accounting records for the year ended 31st March 2013 and the financial statements give a true and fair view of the state of affairs of the Association as at 31st March 2013 and of its financial performance and cash flows for the year then ended in accordance with Sri Lanka Accounting Standard for Small & Medium-Sized Entities (SLFRS for SMEs).
